

Direct Deposit Authorization

Direct deposit makes your banking easier and faster by allowing your employer to deposit your paycheck directly into your checking or savings account the day it is paid. You can then access those funds immediately.

Signing up is easy! Simply print out this form, fill in your personal information and provide to your employer.

If you have questions, please call our Member Experience Center at **(207) 221-5000**, visit **egcu.org**, or speak to a team member at one of our convenient branch locations.

For checking / draft accounts:

Indicate the account number you wish to use. This number appears on the bottom of your checks and starts with "7" as shown above.

For savings / share accounts:

Use the primary member number associated with your account without suffixes. If you wish to deposit to other suffixes on the same account (Christmas Club, etc.), please contact us to set up a recurring transfer.
